Draft Letter of Agreement - HEW

25X1A

1. Kain's reaction to the proposed letter of agreement that we discussed by telephone is attached. His comment on paragraph 3 is what we expected. [REDACTED]

25X1A

2. On paragraph 4 I am inclined to agree with Mr. Kain. The monthly reports requested would seem to triple their work. If you stick to this request, I hope you will explain fully why the monthly reports are needed.

3. Mr. Kain has always preferred to work with and through his excellent superior, Mr. Kevan. According to their organizational arrangements, Mr. Kevan is nearer Mr. Brammell's echelon than Mr. Kain is.

4. We may end up by wanting to discuss this with them if any points of disagreement remain after their finance people have looked over these comments. If so, I would like to be in on it and assist as needed.
